#### The Winfield Sting Girls Fast Pitch Softball Program

The Winfield Sting (Central Maryland League portion of the Winfield Youth Softball Organization) will field a 10U, two 12U and a 14U team in 2010. This league offers girls an opportunity to apply their softball skills above the In-House level and hopefully prepare them to play for select travel teams. For more information, please contact Erv Elswick at 410-549-3330 or via e-mail at [elswick2002@yahoo.com](mailto:elswick2002@yahoo.com)

#### MARYLAND STARS GIRLS FAST PITCH SOFTBALL PROGRAM

The Maryland STARS (select travel portion of the Winfield Youth Softball Organization) is looking for players for their 14U, and 18U teams for the 2010 season.

The Stars program has teams at 12U, 14U, 16U, 18U and Over 18, a total of 6 teams this coming (2010) season.

Multiple Stars teams finished in the top three of the state championships and had top 10 finishes in National events.

The Stars provide clinics (pitching, catching, fielding and hitting) with experts in their field and trained coaching. All head coaches must attend a coaches' clinic annually. Each team plays 8-12 tournaments per season, mostly local, and provides an opportunity for players to play with the best players in the area against the best teams in the area.

The Stars typically have tryouts in August, but keep some roster openings for players who find out about the Stars after tryouts. Again the 14U and 18U teams have openings for the 2010 season. Please contact us about these openings.

Many Stars players have gone on to play college softball and all excel at the high school level with most making the varsity team as freshmen and then proceeding to being selected as all-county and/or all-conference all-stars.

The Stars program offers college scholarships to players completing their senior year in high school and who meet other criteria.

Please see the STARS web site, [www.marylandSTARS.org](http://www.marylandSTARS.org) or contact Glen Warholic, [gawarho@marylandSTARS.org](mailto:gawarho@marylandSTARS.org), 410-552-1838 for more information.
