Winfield Youth Football and Cheer Program

WYFCP would like to thank all who made this past season such a great success! We had 9 of 13 teams advance to the Playoffs. Three of those 9 teams made it to the Super Bowl, one team brought home the Winning trophy! At our annual Cheer Competition we had 6 squads compete and the results were awesome! Two squads got Honorable Mention, two squads took 2nd Place, and two squads took 1st Place. As you can see it was a GREAT year and it is hard to believe we are talking about next year already. Stay tuned to our website at www.wyfc.org for more information about our 2012 registrations which will take place in March and April. Happy New Year to All! WYFCP

The Winfield STING Girls Fast Pitch Travel Softball Program

The Winfield STING travel team is part of the Central Maryland League. The STING program will field 10U, 12U, 14U and 18U teams in 2012. Our program offers girls an opportunity to learn a stronger and more focused skill set, playing in both regular season games, and tournament play. The intention of our STING program is to instill a love of the game and successful softball competencies that help to prepare the girls for a future that might include High School softball or Select Travel softball. The Sting program held tryouts back in the fall, but we are still looking for girls to add to our teams. For more information, please contact Tommy Bierman at 443-487-2529 or via e-mail at:

tbbcb@comcast.net

Sting Registration fees for 2012 are projected to be \$300 but are subject to change based on schedule

MARYLAND STARS GIRLS FAST PITCH SOFTBALL PROGRAM

The Maryland STARS (select travel portion of the Winfield Youth Softball Organization) teams at 12U, 14U, and 18U this coming (2012) season.

Multiple Stars teams finished in the top three of the state championships and had top 10 finishes in National events in 2011.

The Maryland Stars provide clinics (pitching, catching, fielding and hitting) with experts in their field and trained coaching. All head coaches must attend a coaches' clinic annually. Each team plays 8-12 tournaments per season, mostly local, and provides an opportunity for players to play with the best players in the area against the best teams in the area.

The Stars typically have tryouts in August, but keep some roster openings for players who find out about the Stars after tryouts. Please contact us now about possible roster openings.

Many Stars players have gone on to play college softball and all excel at the high school level with most making the varsity team as freshmen and then proceeding to being selected as all-county and/or all-conference all-stars.

The Stars program offers college scholarships to players completing their senior year in high school and who meet other criteria.

Please see the STARS web site,
