Top sales get a Limo ride and pizza! Flier explaining the program was passed and one is on file for review. If anyone has any questions about either of these items you can contact Missy Walker at walkerm158@aol.com.

Baseball: 2nd week of the season – Good so far. E-mail was received in reference to SC Baseball field, this vandalism was not done by Winfield Baseball, but they asked Jim what they could do to help and he said paint the dugouts for SC. So, baseball followed through with Mr. Horns request and painted the dugouts. Request was made again to have a master field schedule, this is in the works. Brian Kelly needs 10 days for Soccer, preferably Tuesday and Thursday, it is very doubtful that baseball is going to be able to help because these are heavy days for baseball too. Ed commented, this is why there is a dire need for a master schedule. (A discussion between Ed and Steve in reference to Soccer program and field space.
